

SHEEP TO SHAWL DEMONSTRATION REGISTRATION

The WNY Fiber Arts Festival Demonstration Committee is actively seeking quality demonstrators to participate this year. In addition to individual demonstrators, "Sheep to Shawl" exhibit is planned. The presenters will demonstrate the process of transforming raw fleece to yarn which can be used to produce a "finished" project. We understand the difficulty of being able to produce a finished product from raw fleece and all the steps involved. Therefore, appropriate substitutions will be made available for participants to use at the step of their choice.

If you would like to participate as a presenter, please indicate on the registration the task and time frame you prefer. However, please refer to the table on the following page to see which task/time slots are still available. <http://wnyfiberartsfestival.org/index.php/demonstrations/sheep-to-shawl-appeal>

Name: _____

Address: _____

E-mail: _____

Cell Phone: _____

Task: _____

Time (11:00, 12:00, 1:00, 2:00): _____

TASK	11:00	12:00	1:00	2:00
