

WNY FIBER ARTS FESTIVAL DEMONSTRATION PROPOSAL

We are currently accepting demonstration proposals for the WNY Fiber Arts Festival to be held on September 23, 2017 at Emery Park. We would like to provide a wide range of fiber related demonstrations. This venue provides an excellent opportunity to educate the public about your craft and the chance for guilds to attract and sign up new members. We invite you to submit a demonstration proposal before July 15, 2017. Once the deadline for proposals has passed, a broad range of fiber related demonstrators will be selected and will be notified by July 30, 2017. **This is a rain or shine event and most activities will be held outdoors.**
