

DEMONSTRATION PROPOSAL WNY FIBER ARTS FESTIVAL

September 22, 2018

Firemen's Field, 419 Pine Street

East Aurora, NY 14052

Dear Artisan,

We are currently accepting demonstration proposals for the WNY Fiber Arts Festival to be held on September 22, 2018 at Firemen's Field; 419 Pine Street, East Aurora, NY 14052. The festival attracts various audiences within New York, Pennsylvania, and Southern Ontario who have an interest in the fiber arts. Throughout the day there will be workshops, demonstrations, children's make-and-take activities, animal appreciation, and 40+ handmade gift and crafts supply vendors, geared to the creative individual. This is a rain or shine event, and most activities will be held outdoors.

This venue provides an excellent opportunity to educate the public about your craft and the chance for guilds to attract and sign up new members.

We invite you to submit a demonstration proposal before June 15, 2018. Once the deadline for proposals has passed, our demonstration committee will then select a broad range of fiber-related topics from the proposals submitted. Artisans, guilds or groups who have been selected will be notified by July 15, 2018.

We look forward to seeing your demonstration proposals!

Kind Regards,  
WNY Fiber Arts Festival Demonstration Committee
